

ILLUSTRATIVE DOCUMENT - NOT AN ISSUED CERTIFICATE

ISO ILLUSTRATION

ISO/IEC 27001:2022

Information Security Management

RECORD REFERENCE

NL-NSAA-ISO-2026-001

ISSUED / PREPARED

14 July 2026

SUBJECT

NSAA Security

NEXT REVIEW

13 July 2027

Scope of illustrative record

NSAA Security consulting, cloud security advisory and third-party risk services

Claim / authority

Example certificate-format record only. No accredited issuer, certification number or live certificate authenticity has been verified.

Evidence interpretation

ISO/IEC 27001 is a certifiable information security management system standard. This illustrative record is not evidence that NSAA Security holds an accredited certification. A positive determination requires independently verifiable certificate details, an accredited certification body and the exact scope.

Issuer / assessor: No issuer verified

Expiration interpretation: 13 July 2027 (illustrative)

Record status: ILLUSTRATIVE / NOT VALID

NOT VALID FOR CERTIFICATION OR PROCUREMENT DECISIONS

Dates and record numbers are illustrative. No NSAA-issued certification, NIST certification, or completed IRAP assessment is claimed. Verify any genuine documents with the issuing authority.
